2,5 inch Portable HDMI Media Player

This media player with HDMI is your personal portable storage box carrying all your favourite music files, photos and movies. Thanks to the big storage capacity you can store all your movies, music and photo's. Due to the easy set up and bundled remote control you can easily access you media files. The CM2H offers you a HDMI and composite connection, built-in card reader and internal hard disk to watch/listen to all your photos, videos and music. After copying the data from your PC or memory card just simply connect it to any TV in your home, hotel or at your neighbours and you can enjoy your own entertainment.
